

Society for Healthcare Volunteer Leaders

As a fiscally responsible Society since 1993, we invite you to consider joining SHVL.

As an organization we offer:

- SHVL will honor AHVRP memberships and offer current AHVRP members a 1 year SHVL membership at no cost for those members who join before October 31st, 2020.
 - Please visit www.shvlonline.org and under the “Join/Renew” tab, complete a new member application choosing the “AHVRP Intro” membership level.
- SHVL offers a national CDVS certification. SHVL will recognize current CAVS certification as an equivalent to CDVS and only require members to complete the CDVS renewal process when their CAVS expires in order to transfer their certification to the national CDVS certification.
- SHVL provides cost effective membership and access to peer networking.
 - Member website and forums for exchanging resources, information and best practices.
 - List Serv for members provides connections with colleagues to share ideas and offer support with colleagues facing the same challenges and successes.
- For 27 years SHVL has provided an annual leadership conference designed to include **all** aspects of the diverse volunteer management role.
 - The 2021 SHVL Annual Leadership Conference is scheduled for March 21-23 in Nashville, TN. Given the ongoing COVID-19 pandemic, we are currently looking at options to provide a virtual conference. We recently surveyed our members on this topic and would love for you to provide your thoughts and suggestions as well!
 - To complete the virtual conference survey click the link below <https://www.surveymonkey.com/r/SY59MKL>
- SHVL is comprised of a volunteer board of directors who all serve on the board without compensation to ensure resources are shared with the membership. Each board member is employed in healthcare volunteer management.

At this critical time, when COVID19 is altering our daily functioning, you should have the support of your professional organization. A place to go with your questions. SHVL invites you to join us. Please visit www.shvlonline.org to learn more or email us directly at shvl.email@gmail.com! We also encourage you to see the results of our COVID19 Volunteer Re-engagement Process survey – also found on our website.

We look forward to connecting with you!

Sincerely,

SHVL Board of Directors
